Public Forum

Residents have asked about having the road verges cut in and around the village. Dave Ireland has spoken to people at the Council and asked when it might be cut, but didn't receive a definite answer.

Action - Clerk to email Jessica Fleming and ask if it is policy that road vergers aren't being cut in the summer. Are local farmers being asked to do it and are they insured. The roads are dangerous with the grass being so long especially on the bends.

Villagers also asked for the verge along the wall on Rickinghall Road to be cut.

5. Planning Applications – Redvers planning appeal has been refused. Hinderclay Airfield planning application has been granted.
Gressingham Foods have an application in for a new access road. This will involve taking out a line of trees.
