We would welcome your ideas for a theme for this years festival.*

COULD YOU HELP?

Last year the Churchyard had a substantial amount of groundwork maintenance. This included felling a dead tree and the removal of dead/diseased branches from other trees. The large amount of waste soil was taken away from the corner of the churchyard and the area reseeded and a fence erected. These costs were met by the church and private individuals.

*In order to make the fence look more attractive it has been suggested that climbing shrubs could be planted along the fence. Two shrubs are already in place and it is hoped that with the help of the village more could be donated. If you would like to plant a climber (or have it planted for you) please contact Kate Rose 01379 898562
Thank you*
