Gressinghams staff shop

We have been asked by Gressinghams to only arrive at the shop between 4pm and 5.30pm as it is open to workers between 3pm and 4pm, during their break time so they don't want residents holding them up or causing problems with social distancing. The shop is open on Tuesdays and Thursdays. Card payment only.

Parish Council

The next Parish Council meeting is due to be held on Thursday 9th July. As yet we don't know if this will be held at the village hall or via Zoom. Please refer to the Parish Council notice board for more details nearer the date or visit

The new chairman is David Emerton whose email address is david.emerton2017@outlook.com

Keeping the Newsletter going

We are still in need of someone to collect the information and articles for the newsletter. This would be passed on to Rowena Kerlake, who designs the pages and types it up. Rowena is happy to accept the information in paper form so technology is not needed. We also have a generous resident who has offered a donation to pay for printing, and other volunteers print, fold and deliver the newsletters.

Please contact me if you feel that you could help to keep the newsletter going. Karen Calton

Do you need help or support?

Although lockdown is easing, the people who have been volunteering are still very happy to collect prescriptions, shopping etc and help out where people are in need. Just call them!

Summer Gateway Fair

As we are unable to hold a summer fair in the village hall, which usually raises much needed funds for the church, Rowena has suggested via the village Facebook page that we hold a Summer Gateway Fair. Local residents have volunteered to have a table in their gateway around the village and will sell items such as homemade jam, cakes, bric a brac, books and games, crafts etc or will set up a game that can be played without compromising safety. A bbq has been offered and also a collection of Mustang cars could arrive for the Fair, if they are allowed to park at the village hall (the question is to be asked!). Rowena is putting together a guidance sheet in line with Government guidance for safety to go out to anyone who wants to take part. We hope that even if you don't want a table, you might like to decorate your gateway so the village looks lovely for people walking round. Rowena will make a map for people to find the tables easily and there will be safety advice for people visiting the tables on the back of the map. If you want to take part (we have about 15 tables so far), **contact Rowena on 07808772197 or email familykerslake@gmail.com** for more information.

St Mary's Church

Although our church will be allowed to hold services from 4th July - Hinderclay will hopefully hold its first service sometime in August. We will follow the government and church guidelines and make your return to St Mary's as safe and enjoyable as possible. At present we are open for private prayer and we are streaming a service every Sunday. This can be accessed via Facebook page at www.facebook.com/unitedbeniface/

We look forward to meeting you again, until then keep well and stay safe.

Suffolk Historic Churches Trust Sponsored Cycle Ride

A final decision is to be made at the end of July, but it is hoped that this years sponsored cycle ride will go ahead as planned on Saturday 12th September. Hopefully it will be a wonderful opportunity to visit churches and chapels that have been closed for too long. As many of you may of taken up cycling during the lockdown, you may like to consider cycling on behalf of St Marys, Hinderclay this year. Please get in touch with me if you feel that you could take part. karen-calton@hotmail.co.uk

Honey For Sale

Local Suffolk Honey, produced close to Hinderclay from my own hives. I currently have a range of honeys including runny, soft set and naturally set. The runny you can use for anything, on toast, cereal, granola, porridge and cooking. The soft set is easy to spread on toast with a smooth texture, and a personal favourite. The set is still spreadable but with a grainy texture, this is also good to use as an alternative to sugar in tea and coffee. The jars are £5 per 1lb (454g), this is larger than a supermarket jar. Please contact Martin Brown on 07599744509 to arrange collection from Hinderclay

Please don't leave your litter and dog poo around the village! This is especially a problem around Cowfen Lane where it is not being cleared up by owners. Please be responsible and clear up after your dog—it is very unpleasant for fellow walkers and also against the law not to clear up after your dog.
