

# Hinderclay Newsletter May 2021

Thank you to everyone that makes this newsletter possible.

If you have anything you would like to include in future newsletters, please send to [familykerslake@gmail.com](mailto:familykerslake@gmail.com) or phone Rowena on 07808772197

## Summer Gateway Fair

We have quite a few tables agreed for the Fair, but plenty of room for more! Let Rowena (details above) know if you want a table or more info about the fair. We also have had offers of vintage cars and plants which will probably be at the Village Hall car park. We are planning to have refreshments at the village hall so if you don't want a table, would you like to serve the teas and coffees? Let Rowena know. The more we do, the more we raise and the more fun the Fair will be!

## Ivy Waters

Ivy died suddenly on 21 March at her home in Bells Lane aged 92. She was one of Hinderclay's oldest residents and had lived in the same home for over 69 years. During her lifetime Ivy had worked on the fields during the hot summers hoeing sugar beet and sprout picking in the freezing winters. She also worked at Henry Watsons Potteries where she made lifelong friendships. Ivy always had an 'open house' policy and would give shelter and food to anyone that was in need. In her later years Ivy embraced new technology and would sit and chat with her family abroad via Zoom and a mobile phone. Ivy had a strong work and family ethic, and a huge caring nature and will be sadly missed and fondly remembered by a great number of people. Following a grave-side funeral Ivy was laid to rest alongside her late husband, Bob, in Hinderclay Churchyard.

## Green Fingers Garden Club

A new year of the Garden Club will start up in September (covid willing!) but the committee hope to hold a social get together (Tea and Cakes) in July. More information will be available in the June newsletter so watch out for that. Members will receive an email update as usual. Thank you, Val.

### Hinderclay Exhibition

A suggestion was made last year that we held an exhibition in the Village Hall of all the wonderful things that we have made and done during the Covid Lockdowns—such as building projects, crafts, paintings, planting and growing, etc etc. It would be lovely to see such an exhibition and we can now do it this year. One suggestion is that it goes up for the day of the Summer Gateway Fair; another is that it has its own special weekend. Answers please to Rowena or Karen Calton—by a note, phone call, FB page etc is fine.

**The Annual Parish Meeting will take place on 13<sup>th</sup> May at 7.00 p.m. This is likely to be a virtual meeting, so the regular meeting of the Council on 9<sup>th</sup> September will contain an opportunity for residents to receive accounts of the Council's plans and to make comments and suggestions. Please put this date in your diary!**

You can find the minutes of the last PC meeting at this link:
