Hinderclay celebrations for HM Queen's Platinum Jubilee

BOOK THE DATE
Saturday 4 June 2022

Hinderclay Village Hall—a family party
Entertainment from 3pm onwards

The next planning meeting is on 14 March at 7.30 in the Village Hall.

IT IS NOT ONLY BUSES THAT COME IN 3'S ...

(1) As you may be aware, St Mary's has been experiencing problems with 5 of our church heaters - the type of heaters we have are no longer manufactured so we are unable to replace them. The PCC is looking at quotations for their replacement.

(2) We are also obtaining quotes from builders to replace the window grids in the bell tower to stop the birds getting in - this will require scaffolding, making it quite expensive.

(3) The roof above the organ is in danger of leaking and we are also awaiting a quotation for that.

As you can see we have quite a few expenses ahead so this seems a good time to announce our annual Gift Day! We will be holding this on **Saturday 5th of March**. We are going to have quite a task before us so if you can help please do. Any donations can be dropped off at the church (**between 11am and 12 noon**) or posted through Ken's or Kate's letterbox. Thank you, your help and support is appreciated.

Transport Needed?

The Rickinghall & District Community Bus is available for hire to readers of this publication. Typical journeys include shopping trips, health centre visits, dentist, optician, chiropodist, hospital appointments and visits.

The bus is also available for visiting friends and relatives, in fact pretty well anything you need. Door to door service, any help a pleasure. Wheelchairs no problem.

Please telephone Gordon on 01379 897109 (24/7 ansaphone).

The Parish Council have planted trees at the main entrances to the village to mark us coming through the Covid pandemic. Many residents offered their help and time to others within the village, to help make lives easier and more bearable, and our thanks go out to all of those. Finally, although Covid is still with us, life is starting to return to some semblance of normality. The trees planted are hornbeam, rowen, beech, field maple and oaks. When on your walks, please feel free to take a bottle of water with you, to water the trees that you may pass, particularly during the summer months.
