Our thanks also to those who donated prizes for the games and the raffle.

The Botesdale Patient Participation Group now have a number of Patients who have come forward to assist with various roles in the volunteering schemes which are up and coming - for the Botesdale Health Centre. The volunteering undertaken is classified by the volunteers as 'very interesting and varied'. If you would like to find out more and be added to this 'occasional volunteer assistance' list, do please contact Janet Russell, Chair Patient Participation Group (PPG) on 07787148947 or via BotesdalePPG@gmail.com.

 Shaun Rackham will be running the London marathon in October, after finally getting a ballot place which allows him to run without having to raise thousands of pounds for a charity. He says "I am running though to raise funds for the Rainbow ward (childrens ward) at west Suffolk hospital where my wife is the ward manager. I wondered if you could put a little bit in newsletter with my link so if anyone wanted to could sponsor me. You will often see us out running very early in the morning from our house on Hinderclay Road and around the local area." His link is <https://tcslondonmarathon.enthuse.com/pf/shaun-rackham> if you would like to sponsor him for this worthy cause.
