St Marys Hinderclay Flower Festival 2025

An initial meeting to discuss the viability of a flower festival this summer was held last week, with lots of good ideas and feed back.

The one thing that we are desperately short of are willing helpers who would be able to help out with all manner of things such as transporting tables and chairs from the village hall to the church, carrying water to the church (sadly no water on site), cleaning up after the flowers have been arranged, go on to the rota to help serve refreshments over the weekend, make cakes, put up signs, plus many more tasks that you may be skilled at and could offer a little of your time. As they say "Many hands make light work"

The weekend pencilled in would be 21-22 June with the bulk of the work being done on 19th and 20th and this years theme would be "A moment in Time". More people willing to arrange flowers are always welcome, no need to be an expert, just a willingness to come along and join in.

A meeting to decide if we can go ahead will take place in the church on Saturday 15th March at 10am, so please do try to come along, or if you can help but can't make the meeting then contact Kate before this date on 01379 898562.
