The Parish Council

The Parish councils website can now be found at

clerk@hinderclayparishcouncil.gov.uk

The council is looking for someone to clean and take care of the bus shelter on the Village Green. If you could spare an hour or so a week, and want more information about the contract, please contact the Clerk.

The next Parish Council meeting will be held in the Village Hall on Thursday 14th November at 7.30 pm

Our **HARVEST SUPPER** was another successful event with 38 of us enjoying good food, good company and good entertainment. Thanks go to everyone who helped make this all possible.

The profit for the evening was £332.00 which was divided equally between the Village Hall and the Church.

At the **HARVEST FESTIVAL SERVICE** on the following day we were pleased to welcome back the Diss Salvation Army Band who accompanied us as we sang our traditional harvest hymns.

The Church was beautifully decorated (thank you to the flower arrangers) and our readings reflected the harvest theme (thank you to our readers). All the grocery donations have been taken to a local food bank.

Our thanks also go to everyone who made these donations.

Tractor Plough Day:

On Sunday 15th September Hinderclay was treated to a small convoy of vintage tractors making their way to Boyces Field, Rickinghall for a ploughing competition. The event had been organised by a local group of enthusiasts, and as Mr JD Thornhill had provided the 'venue' they decided that Hinderclay and Rickinghall Churches would share the proceeds of the day. Hinderclay received £189.00. Our sincere thanks go to Dennis, Jerry and John.

Our next Bingo session will be on Friday 4th October at the Village Hall.

Come and join us for a fun evening and a chance to win cash prizes!

Doors open at 7pm, 'Eyes Down' at 7.30pm

There will be refreshments and a raffle.

See you there!

Botesdale Surgery Health and Wellbeing Webinars

Health and wellbeing webinars are online, live video meetings presented by health and wellbeing professionals within their specialist field for example: diabetes or high blood pressure.

A project is underway to consider developing a programme of free Health and wellbeing webinars to meet the needs of people and communities across Suffolk and North East Essex(SNEE).

We would be grateful if you could spare a few minutes to complete this short online survey. Your participation really matters as it will help determine whether webinars are run and their content. Find the survey at <https://forms.office.com/e/jWHjVMBWf0>
