Whether you're a beginner, or seasoned gardener, please come and join us. We look forward to seeing you all there!

VILLAGE NOTICE BOARDS

The eagle-eyed amongst you may have noticed that the two village notice boards have moved. Please note that these are now located inside the bus shelter.

If you have been to the Church recently you may have noticed that the beech and leylandii trees have been taken down. These were identified by the architect and surveyors to be the reason that the East window has deteriorated so quickly. We will have to monitor the cracks in the structure for the next 2 years before we can begin any repairs to the stonework. In the meantime, we are working hard with the Diocese to remove, save, preserve and store the medieval and Rosemary Rutherford stained glass as soon as possible.

Question of the Month

Q: With repeat prescriptions, do all patients receive a text message when their prescription is ready to pick up?

A: Patients that are signed up to the automatic repeat prescription will not receive a text as we ensure they are ready 4 weeks after they are last collected. All other patients with repeat prescriptions will be texted, as long as we have their mobile number.
